

Action for Warm Homes

Northamptonshire
County Council

****FREE TRAINING FOR FRONTLINE STAFF AND MEMBERS OF THE PUBLIC****

Do you want to learn more about saving energy and reducing fuel bills?

Community Action Partnership

NEA and Northamptonshire County Council

FREE places on the energy awareness raising sessions are available for both frontline staff and community energy champions and the sessions will be 1 – 2 hours long. Sessions will be held in District and Borough Councils between September 2015 and January 2016.

Topics included in the sessions will cover:

- Explaining the health implications of cold damp homes
- Discussing energy usage in the home and how to save money
- Identify the help available with fuel debt and how to make your house energy efficient
- Explaining gas and electricity bills
- Switching suppliers

If you would be interested in further information or booking one of these free sessions for your staff or volunteers, please get in touch in the first instance by contacting:

For **frontline staff** (i.e. people in jobs which bring them into contact with householders), please contact Jimmy Pugh on jimmy.pugh@nea.org.uk or 07961 072638.

For **community energy champions** (i.e. volunteers or members of the community), please contact Saleem Sheikh on saleem.sheikh@nea.org.uk or 07545 733953.
