Whether you are a welcome newcomer to Warmington, or have lived here for many years, you may not be aware of ALL the clubs, societies and groups in the village.

This year's annual village meeting is aiming to showcase what's on offer to everyone, by bringing all the various groups and clubs to the village hall, with representatives from each of them in attendance.

Members of the parish council will be on hand, along with the county and district councillors. The village is part of a flood and emergency planning project and there will be people to talk about these important issues too.
