

Northamptonshire County Council is proud to offer:

## Five events to help your community on the path to a zero carbon future

### ZERO CO<sub>2</sub> Communities – more than a burning ambition

Come along to our next ZECOS event: “Empowering your community”

- What actions would you like to see happen in your community in order to reduce energy consumption and energy bills?
- How can you gain access to the most appropriate funding streams?
- How to prioritise projects for maximum community benefits?

### Dates and venues

Sign up to your local event to discuss your community's interests and potential:
